

I, too,
want to
lay down
my life
for my
brothers.

Brother Jean-Claude

Dear Serra Club, Thank you!

We are so grateful for your generosity, which gives us the immense grace of returning to our motherhouse during our summer chapter. It is a blessing for us to be able to see our sisters from throughout the world and to hear our prioress and foundress in person. We will certainly remember you in our prayers in great gratitude for your support as we seek to follow the Lamb of God.

The quote on the front of the card is something our co-founder often preached to us. He taught us to seek to live the Gospel and to give our lives for our sisters and brothers. We pray for his intercession for you, as he passed away this past Easter Sunday, that you too may receive the joy of the Gospel!

Thank you and blessings,

**the little sisters
of the Lamb**
